Subpart A—General Provisions

§ 640.1 Purpose and scope.

(c) An owner or operator of a vessel that has legally harvested spiny lobsters in the waters of a foreign nation

§ 640.2 Definitions.

In addition to the definitions in the Magnuson Act and in § 620.2 of this chapter, the terms used in this part have the following meanings:

Bully net means a circular frame attached at right angles to the end of a pole and supporting a conical bag of webbing. The webbing is usually held up by means of a cord which is released when the net is dropped over a lobster.

Carapace length means the measurement of the carapace (head, body, or front section) of a spiny lobster from the anteriormost edge (front) of the groove between the horns directly above the eyes, along the middorsal line (middle of the back), to the rear edge of the top part of the carapace, excluding any translucent membrane.

Commercial fishing means any fishing or fishing activities which result in the harvest of any marine or freshwater organisms, one or more of which (or parts thereof) is sold, traded, or bartered.

Hoop net means a frame, circular or otherwise, supporting a shallow bag of webbing and suspended by a line and bridles. The net is baited and lowered to the ocean bottom, to be raised rapidly at a later time to prevent the escape of lobster.

Live well means a shaded container used for holding live lobsters aboard a vessel in which aerated seawater is continuously circulated from the sea. Circulation of seawater at a rate that replaces the water at least every 8 minutes meets the requirement for aeration.

Off Florida means the area from the Florida coast to the outer limit of the EEZ between the Georgia/Florida boundary (30°42'45.6"N. latitude) and the Alabama/Florida boundary (87°31'06"W. longitude).

Off the Gulf states, other than Florida means the area from the coast to the outer limit of the EEZ between the
